Job Summary

We are seeking a committed GP to join our established, supportive practice as a salaried GP. The post offers an excellent opportunity to contribute to high quality patient care, working in an established practice team.

This is a routine GP role operating within a total triage model, allowing you to focus on in-practice consultations with minimal disruption. Home visits will be part of the role.

About the Practice

We are a well established 8 partner GP Training practice serving 13,600 patients. We offer a wide range of clinical and non-clinical roles, working collaboratively to provide holistic, high quality care.

The practice operates a total triage process.

Main Duties

- Provide general medical services to patients
- Manage acute, chronic, and preventive care
- Conduct face to face, telephone and online consultations
- Contribute to QOF, enhanced services, audits and practice development
- Work collaboratively

- Maintain accurate, timely clinical records

Clinical Support

- Experienced GP Partners
- Clinics will provide built in admin time
- Efficient systems and departments (SystemOne practice using Ardens Templates)
- Shared home visits

Person Specification

Essential

- GMC Registration with licence to practise; inclusion of NHS GP Performers List
- Strong clinical and communication skills
- Team working

Desirable

- UK GP Experience
- Full Driving Licence
